

Product Packet

Helping you pick the
perfect display method for
getting your sign noticed.

Banners

Banners grab attention and generate excitement. Temporary or permanent, indoors or out, mounted or tied down, banners are a cost-effective way to deliver a message. They are durable, portable, affordable and easy to install, ship and store. Whether you want a simple "SALE" banner or an elaborate, four-color process one, we meet your goals. Last minute orders are our specialty! We recently manufactured 350 banners and shipped them to 137 locations on time and within budget!

Product Features

- Many materials available including; heavy duty 14 oz vinyl, 18 oz double sided vinyl, mesh, cotton/polyester (sunbrella) and paper.
- Ideal for temporary signage
- Brass grommets for hanging or attaching to a wall
- Velcro can be used for trade show displays
- Pole pockets, extra reinforcement in the corners or webbing strap sewn throughout hems for extra demanding installations.

Window Lettering and Graphics

Window lettering and graphics transform your windows and doors from static architectural elements into dynamic glass billboards. Custom graphics offer a practical, low cost and innovative way to extend your marketing message and complement your de`cor. Window lettering is super low cost signage that provides brand recognition for your company name or informational data (hours, services, etc). Make your message "pop" on your windows and doors with colorful window lettering and graphics without breaking your budget. Your options include a simple logo on a door all the way to a graphic completely covering the window.

Product Features

- Decals can be applied to any smooth surface including glass
- Graphics can be applied either on the inside or outside of your office doors/windows.
- Vibrant colors with our state-of-the-art printing technology
- High gloss UV clearcoat laminate applied for maximum durability

Dimensional Signs

Your Business has an image to uphold-whether its a simple banner or the sign atop your headquarters. Arlington Signs and Banners dimensional signs make the most of high-tech materials and new production processes to bring your company's logo and image to life in an impressive and long-lasting manner.

Product Features

- Customize sizes to match your needs
- All kinds of materials and special effects to choose from
- Branded for your business and decoratively informative
- Our highly experienced representatives will help you design the best products for your site, needs and budget!
- Quality installation also available

Vehicle Lettering

Drive your business further by turning your vehicles into rolling billboards. Did you know that in one year alone, one vehicle will make 10 million impressions? This is an excellent way to maximize your advertising dollars. We can provide attractive removable magnetic signs for the vehicle doors or high resolution, full color digital graphics. Many customers bring their vehicle to our store so we can help with the design onsite. We measure and tailor your graphics to your specific vehicle. The lettering is then installed in our heated indoor garage so turnaround time once you approve the design is rapid and convenient. Our designers create the signature look you'll become known for in your community.

Product Features

- We use high quality durable vinyl
- Wide range of colors available to choose from including metallic
- 7-9 year minimum durability
- Great for company marketing, advertise your business 24/7!

Exterior Signs

Advertise your name in front of prospective customers as they drive by your site. Attract attention with well-designed visuals that get you noticed. We've served thousands of satisfied customers over the years. Our attention to detail and on-time delivery is second to none! We can suggest and provide any frames or stakes you may need. Take advantage of our first-class installation service. We are the corporate sign specialists!
